- **Bilstein Ultra Performance Suspension System** \$ 1,099  
 Offers handling that, according to *Car and Driver* magazine, "...works smarter, not harder...We're hard pressed to think of a car that rides better on 17-inch tires..." *Motor Trend* magazine added this assessment, "Handling? How about .91g on the skidpad?..." (Available on all models; n/a with 1LE Suspension Package)
- **1LE Suspension Package** \$ 1,899  
 This performance suspension system, now being offered exclusively by SLP, includes double adjustable Koni Shocks. Recommended for competition driving. (N/A on convertible or with Bilstein Suspension Package)
- **Auburn High Torque, Performance Differential w/AAM cast aluminum cooling cover** \$ 899  
 Combination of leading edge Auburn Gear and American Axle Manufacturing technology enhances traction and helps reduce differential operating temperatures under certain driving conditions. System detects variance in the gripping force of each rear tire and redistributes the engine load as road conditions change, thereby enhancing vehicle performance and stability.
- **Custom Rear Deck Mat with embroidered Camaro SS Logo** \$ 99  
 This Custom Rear Deck Mat enhances the appearance of the shelf area behind the rear seat in your Camaro SS. The aggressive nubs hold the mat firmly in place. (35<sup>th</sup> Anniversary Models receive 35<sup>th</sup> embroidered mats)
- **Premium front floor mats with embroidered Camaro SS logo** \$ 99  
 Heavy duty, custom-fitted carpeting with aggressive nubs to hold mats firmly in place. (35<sup>th</sup> Anniversary Models receive 35<sup>th</sup> embroidered mats)
- **Commemorative Portfolio** \$ 59  
 This Commemorative Portfolio is designed to hold your GM owners manual and the supplemental SLP owner's manual. Includes an SLP engraved pen, notepad, tire tread depth gauge, a customized "Certificate of Authenticity". (The customized package will be shipped by SLP to the customer after the customer completes and returns an information form included in the Portfolio.)
- **Custom Fitted Car Cover with locking cable and tote bag** \$ 159  
 Premium grade, breathable, water-resistant fabric. Provides protection from the elements of today's hottest collectible car. Includes: cable, lock, and tote bag with silk-screened Camaro SS graphics. (35<sup>th</sup> Anniversary Models receive 35<sup>th</sup> silk-screened cover)
- **(Two) Camaro SS Key Fobs and (One) Dash Plaque** \$ 49  
 For that final touch of distinction, SLP offers a high quality set of key fobs and an attractive Camaro SS plaque. (Dash plaque not mounted, but placed in accessories box.)

## PRODUCTION SPECIFICS

SLP produces the Camaro SS at its Montreal assembly facility, which is 20 minutes away from GM's Ste. Therese F-Car assembly plant. The process is simple. GM ships vehicles scheduled for alteration to SLP for that work. Following alteration, Camaro SS's are returned to GM's Ste. Therese assembly plant and subsequently shipped by GM carriers to Chevrolet dealerships.

## WHAT ABOUT FINANCING AND WARRANTY COVERAGE?

Retail financing and leasing is available through GMAC. SLP's three-year/36,000 mile limited warranty covers content provided by SLP. The balance of the vehicle, which is not affected by the alteration, is covered by GM's limited warranty. See GM limited warranty for details.

For more information on ordering SLP options, contact SLP's Customer and Dealer Assistance Center at 248-288-3066, 8:00 a.m. to 5:00 p.m. EST, Monday - Friday, or via fax at 248-288-3176. Remember, in order for SLP options to be added to your Camaro SS, the dealer must submit a completed Sales Agreement for the options prior to your vehicle being assigned a vehicle identification number (VIN) by General Motors, no exceptions. SLP's website address is [www.slpeng.com](http://www.slpeng.com).
