

DIABLOSPORT / Superchips HORSEPOWER WARS

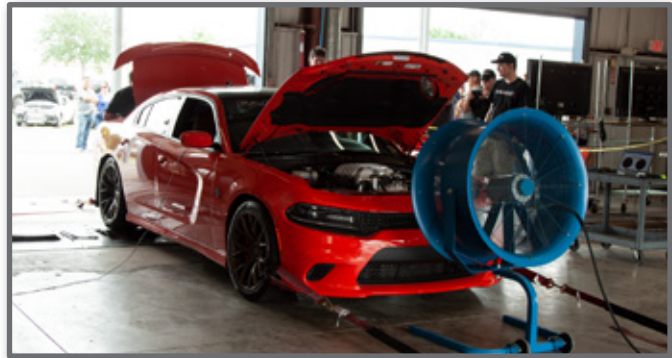

CENTRAL FLORIDAS PREMIER DYNO COMPETITION

Horsepower Wars is all about showcasing the best in the automotive performance aftermarket. You can be a Ford guy, an LS fanatic, or a Mopar or No Car kind of person. Regardless, you're welcome here. Horsepower Wars will feature an all-out dyno competition to see who can put up the best numbers! We'll have classes for naturally aspirated cars all the way up twin turbo'd track cars!

Horsepower Wars is definitely focused on the power, but there's no reason we can't also appreciate all the hard work that goes into making some of the most eye-catching rides around. That is why we'll also have a Show-N-Shine for cars, trucks, Jeeps and SUVs. So whether your ride is All Go, All Show, or a blend of both, Horsepower Wars is the place to be! This is a family friendly event, so bring your kids, your neighbors, and tell a friend.
